

Dallas | A family favourite

Every kitchen has a few favourite items, such as a much loved roasting pan or that special serving platter. We believe the Oliveri Dallas will be added to that list. The huge 'D' shaped bowl is designed to fulfil the needs of a family and ensures that this Oliveri sink will win a place in your kitchen too.

Preparation Board

AC81
Bowl Protector

DA834-1 shown with MG513 Mixer Tap as an optional extra.

Features

Accessory Lip

The Maxi Bowl is designed with a unique accessory lip to cater for a range of genuine Oliveri Accessories.

Basket Waste

No more lost plugs. Push down to seal, pull up to drain and strain then remove to empty. The Dallas is supplied standard with basket wastes.

18 Gauge Stainless Steel

Nothing lasts as well as stainless steel, and your 18 gauge (1.2mm) Oliveri sink will endure many years of daily use.

Extra Wide Bench Top

Size does make a difference. The super size of the Dallas requires a larger 720mm bench top.

Oliveri Logo

The Oliveri signature represents over 50 years of world class sinkware manufacture in Australia. If it's not an Oliveri, it's a compromise.
